

ALL OF MY LIFE

INTRO: D C G Em7

                  D                                  Bm  
Let the words of my mouth  
                  G                                  D  
The meditation of my heart  
                  Em7                  C                  Asus                                  G  
Be acceptable in Your sight, my Lord  
                  D                                  Bm  
Let the words of my mouth  
                  G                                  D  
The meditation of my heart  
                  Em7                  Asus                  D  
Be acceptable, be acceptable

                  Em7                                  D  
For You are my Rock  
                  Am7                                  G  
And You are my strength  
Em D                                  Asus A  
You are my Redeemer  
                  Em7                                  D  
And I'll live for You  
                  Am7                                  G  
'Cause You died for me  
Em D                                  C                  A  
I need You to guide me  
                                  D C G Em7  
All of my life
