

### Every Time I fall

D C D G  
Everytime I'm lost and I'm all alone  
D C D G  
You are always there to bring me back home  
D C D G  
Everytime that I stray and I lose my way  
D C D G  
You offer me Your Grace every day

D C D G  
Everytime I kneel and pray toward Your throne  
D C D G  
You always let me know that I am not alone  
D C D G  
Everytime I bow my head in prayer  
D C D G  
I know that You are always there
