

JEHOVAH

Am Em
JEHOVAH-JIREH Lord You are my provider
When ever I call You will always answer
When I'm in need on Your name I call
You're always there Lord, my all and all

Am Em
JEHOVAH-ROPHE You're my healer
You're my God, my Holy Father
When I'm down and need a friend
You're always there Lord through thick and thin

Am Em
JEHOVAH-JIREH Lord You are my provider
JEHOVAH-ROPHE You're my healer
JEHOVAH-NISSI You're my banner
JEHOVAH-SHALOM You're my peace
Before the Father You're my Priest

Am Em
JEHOVAH-NISSI You're my Banner
I'll lift Your name ever higher
I'll tell the world all about You
You are faithful Lord and You are true

Am Em
JEHOVAH-SHALOM You're my peace
Help my faith Lord to increase
May Your presence never cease
Before the Father You're my Priest

(Can't really tag this by word, every instrument is kinda doing it's own thing, kinda smooth jazz style. The Piano is listed above and the keyboard is following a Am-G-Am-Em-Dm progression while the bas line is F-G-D-A-B, with a little walk at the end)

(All words music and instruments by Donnie McKissic <and of course GOD>)
