

5. I STILL LONG FOR LOVE.

When we were young^D
I once believed that we'd see kingdom come^G
I once believed that Christ would come an' save everyone.^{D Bm}
Long ago. When you and I were young.^{G A-A7 D-G-D-D!}

When we were young^D
I once believed we'd do what should be done^G
I once believed that all of us would right every wrong.^{D Bm}
Long ago. When you and I were young.^{G A-A7 D-G-D-D!}

Those days are gone^D
But I still long for love to fill my soul.^G
I still long for love that floods my soul to overflow.^{D Bm}
Like it did - so very - long ago. (x2)^{G A A7 D-G-D-D!}
