

Hear Me Lord (capo 2)

D Dmaj7
Hear me Lord my fainted cry
Em G5
Here in my sins Lord I do lie
D Dmaj7
Will You come and Rescue me
Em G5
I need a saviour to set me free

D Dmaj7
In this world is pain and strife
Em G5
Seems so hard to live this life
D Dmaj7
Of all the things that I could be
Em G5
Im a wave tossed on the sea

D Dmaj7
But You came into my heart one day
Em G5
And all I had to do was pray
D Dmaj7
You forgave me of all my sin
Em G5
I opened up and let You in

(CHORUS)

Bm G5
The Way The Truth and The Life
Em Badd9
Morning Star lighting up the night
Bm G5
Your Glory shinning that I can see
Em Badd9
To the gates of Heaven You hold the keys

D Dmaj7
Behold now all things are new
Em G5
Old things have passed because of You
D Dmaj7
Your every word now my life does guide
Em G5
On eagles wings I'll forever ride

D Dmaj7
No more tears no fears and no more pain
Em G5
No more storm clouds no more rain
D Dmaj7
Streets paved of Gold I will walk
Em G5
Face to face God and I will talk
