

# **I KNOW**

## ***VERSE***

I know there's no one like You  
There's none so worthy  
I'll praise Your name forever  
Give You the glory  
I know there's none that compares  
To all You are to me  
I want to thank You Jesus  
For You have set me free

## ***CHORUS***

So I'll praise You Lord with lifted hands  
I'll praise You Lord in the dance  
I'll praise You Lord with the song I sing  
I'll praise You Lord in everything  
I'll praise You with the life I live  
I'll praise You in the way I give  
No matter what the circumstance  
I'll praise You like I know I can!

## ***BRIDGE***

Who the Son sets free is free indeed!  
(Repeat)
